COUNT II

Material Errors and Defects

174. Paragraphs 1 through 173 are hereby incorporated as though set forth fully herein.

175. Nominating petitions shall have an affidavit of the circulator of each sheet attached to each circulated sheet, pursuant to 25 P.S. §2869.

176. Nominating petitions shall include an affidavit of the candidate pursuant to 25 P.S. §2870.

177. An Affidavit is a statement in writing of a fact or facts signed by the person making it, that either (1) is sworn to or affirmed before an officer authorized by law to administer oaths, or before a particular officer or individual designated by law as one before whom it may be taken, and officially certified to in the case of an officer under seal of office, or (2) is unsworn and contains a statement that it is made subject to

the penalties of 18 Pa.C.S. § 4904 relating to unsworn falsification of authorities under Pa.R.C.P. 76.

178. The lack of a valid affidavit of circulator, candidate's affidavit, and waiver of expense account reporting affidavit is a material defect to the Respondent's nominating petition under 25 P.S. §2936.

Invalid Affidavit of Candidate

179. Under 25 P.S. § 2870, each candidate for county office, such as Respondent, must file with his nomination petition, his affidavit stating, among other things, the name of the office for which he consents to be a candidate.

180. On each notarized affidavit of Respondent, he failed to set forth the title of office that he is seeking as required by the Election Code.

181. As such, Respondent's nominating petition contains a material fatal defect and is invalid.

Invalid Designation of Name and Occupation

182. Under 25 P.S. § 2870, each nomination petitions to be filed by candidates must be filed in the form prescribed by the Secretary of the Commonwealth, signed by duly registered and enrolled members of such party who are qualified electors of the political district within which the nomination is to be made.

183. Sheets to a nomination petition which fail, at the time they are being circulated, to give the candidate's name, occupation, occupation and place or residence or

the name of the political body for which he seeks nomination are fatally defective and must be disregarded. See Stern Nomination Papers, 65 Pa. D. & C. 64 (1949).

184. The sheets to Respondent's nomination papers state his name as Bonner Smith".

185. Upon information and belief, the Respondent's full name is Bonner Mayo Smith, III.

186. There are more than one individual named Bonner Smith enrolled in the Republican Party and residing in York County.

187. There is also a Bonner Mayo Smith, IV, with a residence of 804 Locust Street, Mt. Wolf, Pennsylvania. See page 5, line 15 of Respondent's Petition.

188. Respondent's failure to designate his full name on the sheets to his Petition created the potential for confusion of the elector- signatories on the Petition and as such creates a fatal defect in the sheets such that the Petition should be deemed invalid.

189. The defect is compounded by Respondent's failure to set forth his profession, business or occupation in a forthright manner on the sheets to the Petition.

190. The sheets to Respondent's Petition state his profession, business or occupation as "Registered Nurse".

191. Respondent's Statement of Financial Interests filed with the state, however, discloses his occupation or profession as Mayor. A true and correct copy of the Statement of Financial Interest is attached as **Exhibit B**.

192. Respondent is currently mayor of Stewartstown, Pennsylvania.

193. Respondent's failure to properly disclose his occupation is a material fatal defect invalidating his petition in its entirety.

Invalid Designation of Electoral District

194. Under 25 P.S. § 2870, each nomination petitions to be filed by candidates must be filed in the form prescribed by the Secretary of the Commonwealth.

195. Pages 1 and 3 of Respondent's Petition fail to designate the Electoral District in which the Nomination or Election is to be made.

196. Because the sheets fail to comply with the proper form and are ultimately incomplete, the signatures contained therein are invalid and should be stricken from the Petition.

197. A total of one hundred seventy five (175) signatures should be stricken leaving a total of two hundred fifteen signatures, which is less than the requisite two hundred and fifty (250) needed for the office of York County Controller.

WHEREFORE, Petitioner Respectfully requests that this Honorable Court deem the above referenced material defects as fatal flaws to the Respondent's Petition and issue an order removing respondent's name from the Republican Primary ballot for the office of York County Controller.

Respectfully Submitted,
